

Technology Contributor Agreement

Society
for Creative
Anachronism

MODERN NAME

SOCIETY NAME or NAME FOR ATTRIBUTION

I hereby grant the Society for Creative Anachronism, including its branches and affiliates, successors and assigns (the “SCA”) the following license with respect to my contributions to the software or technology projects, products, and systems set forth below (the “projects”), including all source code, design, configuration, documentation, or other material I create or provide to them, both before and after executing this document (my “contributions”).

SCOPE: Unless specified below, I agree that this grant applies to any software or technology projects organized by or intended for official use by the SCA or any of its branches or officers.

This grant is restricted to the following project(s):

LICENSE:

- For any project that has adopted an open-source license agreement, I hereby license my contributions to that project under the terms of the selected open-source license.
- For any other project, I hereby grant the SCA an irrevocable, perpetual, worldwide, no-cost, non-exclusive, non-transferrable license to use, copy, modify, merge, extend and repurpose my contributions to the project, in whole, or in part, or as an element of another work.

NO WARRANTY: The contributions are provided “as is” and I disclaim all warranties with regard to them, including all implied warranties of merchantability and fitness. In no event shall I be liable for any special, direct, indirect, or consequential damages or any damages whatsoever resulting from loss of use, data or profits, whether in an action of contract, negligence or other tortious action, arising out of or in connection with the use or performance of the contributions or any associated projects. This waiver of liability does not apply to any intentional misconduct or actions which are intended to damage the SCA.

INDEMNIFICATION: I will only provide the SCA with contributions for which I have the lawful right to grant this license, and I will indemnify and hold harmless the SCA in the event any claim is brought by any person claiming that they have any right, title or interest in the contributions superior to mine or that I did not have lawful authority to grant this license.
